

## CLASSIS CAR CLUB OF BURY ST EDMUNDS

Welcome to the first run of our new club. The route of approximately fifty miles takes us through the picturesque Suffolk countryside to Kersey Mill.

We have an optional private guided tour of the Mill booked for 12 noon. Kersey Mill is a private residence and is not scheduled to be open to the public today.

We would ask that all those who take the tour make a donation towards the upkeep.

Refreshments and toilet facilities are available at the Copper Kettle tea room.

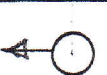

The following abbreviations are used in the road book:

- SO straight on
- TL turn left
- TR turn right
- SP signpost
- SGW stop give way

We hope you have an enjoyable trip. Lunch back at the Farmers Club will be at 2.30pm
